Chief Mike Holler

Police department just hired Thomas Schafer from Clark County Park District and Premier Health graduate of Clark State Police Academy. He came her on January 9th, 2023 and will be doing his swearing in tonight.

Swearing in Of Officer Schafer.

Communications

The Mayor received a letter from Columbia Gas of Ohio, they have filed an application with Public Utilities Commissions of Ohio for infrastructure investments which could mean a rider being placed on gas bills up to \$10.00 for general service charge. Side note the blizzard of 78 was 45 years ago.

Staff Reports Kevin Siferd

Jason, The water superintendent, has applied for an Ohio EPA Grant for \$10,000. For some pipe locating equipment and leak detection equipment. It was sent in two days ago so hopefully will know something within two weeks. We did that because we are always borrowing equipment from the Township and Fairborn.

Records Commission Meeting is February 28, 2023 at 6 PM. Paul Kavanaugh will at that meeting.

Backhoe is being put back together at the Big Rig Shop, waiting to hear from him and hopefully will have it back by the end of the week.

Government Center update: Plumber came into today and took the bathrooms apart to get everything ready for the drywall . Hopefully drywall will start tomorrow It shouldn't take long. After the drywalling is completed, the plumber will then be back in. Later carpet will be replaced and new flooring in conference room and offices.

Farm Land Bids: talked to Todd Pettit from the Township and agreed to go with LA Farms from South Charleston. They came in with a bid of 318.01 per acre. Need Council approval to go with LA Farms.

1st Mr. Hanna 2nd Mrs. Sweet

Chief Holler

Officers have completed training. Officer McHenry completed 40 hours of Critical Incident Training (CIT), which is dealing with mental health training. It's free and good for every officer to have. Officer Durham completed 40 hours of School Resource Officer Training (SRO)

Got a letter from Attorney General, they will have CPT, Continued Professional Training, in 2023, focusing on school safety and other 24 choice of agency. Instead of getting funds in advance they will release those funds as a reimbursement.

We purchased new uppers for patrol rifles, which significantly decreases decibel ratings

The approved wage increase was greatly appreciated.

7-11 donated some office furniture, including file cabinets which are very costly, so that was very much appreciated.

Emailed out the quote from PNR for the bill for the 2022 Dodge SUV to council

Thanks to Officer Thomas Schafer for coming on board with the Enon Police Department.
