IT Quotes

Several meetings have been held with staff and contractors in order to increase IT security and capability. Three things that we looked at Email System that would be more appropriate for a government center, Manage IT Provider and Phone system which is an old system from 1998.

Three different companies have been contacted.

To implement new program Microsoft 365 would be \$2750.00 with a monthly fee of \$313.60. Manage IT Service \$850.00 with \$791.35 a month

Bridge Group has the lowest price and same company was implemented in New Carlisle. Kevin contacted Randy from New Carlisle and he gave a good review of Bridge Group. There should be no issue fitting this into the budget.

Whitacre suggested to move for a motion to use Bridge Group since it is about half the cost and New Carlisle is happy with the company...

1st Mr. Whitacre 2nd Mr. Bear

Chief Holler

Shop with a cop at Walmart. Worked with Lindsey Weaver from the Greenon K-12. There were 21 students this year and everything went very well.
